Big furniture & kitchen appliance

It is forbidden to leave and dump furniture and kitchen appliance in the association. This cost us members money to call for someone to transport it away. If you need to put something outside to come and pick it up later, please mark it with apartment number and when it's getting removed.

Smaller electronics can be left in bicycle storage number 42 on the street-side of Sorögatan 95.

Nice and clean in stairwells and storage

Thank you for taking care of our stairwells and entrances! It's very little garbage and some nice flowers in the windows. Also the stroller and bicycle storage are in good order. Thank you!

Welcome to knit- and crochet-café

Join us in some knitting, crocheting, broidering or just some mingling in our association locale at Sorögatan 45 (entrance from Ärvingegången).

Grown-ups as kids are welcome! We meet 18-21 these dates:

- 5th February
- 26th February
- 18th Mars
- 8th April
- 29th April
- 20th May

Smoking and cigarette buds

It is prohibited to smoke around our entrances and inside our common areas. Throw the cigarette buds, dog poop and trash in a trashcan or a garbage chute. Don't throw them on the ground.

This littering only costs the members and those who live here money in the end because of sanitation costs.

Renovations

All renovations that involve water, the draining system or the ventilation (kitchen fan) MUST be approved by the Board before you can start the renovation. This is to minimize the risk of any possible costs for you due to moisture damage. Please fill in the form, send it to the Board and await response before you start.

The form is available on our homepage: <https://en.fano.se/renovation/>

Sub leasing

Remember that if you want to rent out your apartment you need to send in a request to the board. We have updated the rules for sub leasing and it not as strict anymore. You can find the form on our homepage:
