The front doors has been replace, the elevator is currently being assembled during a couple of weeks, apartments are being inspected and any interior repairs are being planned. The big remaining issue is the facade and windows of the stairwell.

Unfortunately the insurance companies has shown to be a bit difficult to work with which creates more work for the board.

Tire change

Most of you have collected your summer tires. If you have collected them but not turned in your winter tires you need to inform us before 15th of April that you want to keep your spot. This note or booking of a time slot for collecting or turning in tires should be sent to dack@fano.se

Rats

Unfortunately we have a rats in our association. Please don't leave left-overs outside and if you want to feed birds, make sure it's above ground where rats can't reach.

Glass terrace

It's forbidden to use Jacuzzi, pools or similar on the glass terrace.

Dog owners

You whom are a dog owner and walks your dog on our common lawns are showing a great deal of disrespect to your neighbors. It's forbidden to walk your dog within our association and you are referred to other areas, even if it's a longer walk.

Cleaning day

Because of the Corona-pandemic we will reduce the cleaning day to just have containers on site. There will be no organized cleaning or "fika". If you would happen to go out and pick up some garbage, we won't stop you but we don't expect you to. The containers will be on site May 10th between 10 and 13.

Pre-meeting

Because of the Corona-pandemic we cancel this happening as well. If you have any questions please send them to styrelsen@fano.se

Annual meeting

As we announced in the previous Fanö News we will have the annual meeting on the 28th of May at 18:30 in the dining hall of Kvarnbacka school.

We are currently working on having the meeting according to plan but we are of course tracking the development of the pandemic. When we are getting closer to the meeting and realizing that we can't have it in a safe matter, there is a possibility to postpone it.

We have a board meeting on May 4th and we will know more then.
