Annual General Meeting

This year's general meeting is scheduled for June 17. The last date for submitting motions to the board is 28 February. The motion must be submitted in writing, via e-mail, or in our mailbox at Sorögatan 45, entrance from Ärvingegången.

Quiet after 22 o'clock

As residents of apartment buildings, we all need to show consideration for our neighbors. Therefore, loud noises are not allowed after 22:00. Keep in mind that noise travels through the building and that what you think is a reasonable level of music can be perceived as disturbing inside the neighbor.

Work in the apartment that produces noise, such as drilling, may only take place between 08–18 on weekdays and 10–18 on weekends.

Filters for window valves

Above several of your windows is a valve and in that valve, there is a filter. This can be washed if it has become dirty.

If filters are missing, you can contact the board to get a new one.

Get involved in the association!

The Nomination Committee is constantly keeping an eye open for committed residents who are willing to add their skills and work for the benefit of the association. You can contact the nomination committee at valberedning@fano.se

Renovation

Thank you to those of you who have applied for a permit for renovations. Through these, the association has been able to ensure that authorized companies are used and this has led to us having less water damage, which saves money and suffering for all of us.

Are you going to renovate? Read more and apply for a permit here: <https://en.fano.se/renovation/>

Larger furniture and appliances

It is not allowed to leave furniture and appliances in the association. It costs us, members, money to order removal. If you need to store something outside to pick it up a little later, then put a note on the furniture with the apartment number and when it is planned to be removed. Smaller electronics can be left in the bicycle shed with number 42 which is located on the street at Sorögatan 95.

Laundry room closes for ten days

We will repaint and do some other work in the laundry room at Sorögatan 93. In the meantime, you will not be able to use it and therefore booking is blocked for that period. It will be closed from the 8th to the 17th of February.

The laundry room in the 57 is open as usual.

More info about the laundries can be found on our website
