

### **New lighting in elevators**

As you probably noticed, we have replaced the lighting in the elevators. It is now LED as a light source and motion sensors, which greatly reduces electricity consumption. This means that the lamp may appear broken until you step into the lift. Adjustment of motion sensors is still in progress.

### **Tire storage**

The opening hours for the tire storage this spring have been set

- Thursday 25/3, 18-20
- Sunday 28/3, 10-12
- Thursday 8/4, 18-20
- Sunday 11/4, 10-12

Access outside these times is booked through [dack@fano.se](mailto:dack@fano.se) and costs SEK 200 per occasion.

If you want to queue for a place in the storage room, send an email to the same address with your name, telephone, and your apartment number.

### **Get involved in the association!**

The Nomination Committee is constantly keeping an eye open for committed residents who are willing to add their skills and work for the benefit of the association. You can contact the nomination committee at [valberedning@fano.se](mailto:valberedning@fano.se)

### **Renovation**

Thank you to those of you who have applied for a permit for renovations. Through these, the association has been able to ensure that authorized companies are used and this has led to us having less water damage, which saves money and suffering for all of us.

Are you going to renovate? Read more and apply for a permit here: <https://en.fano.se/renovation/>

### **Bicycle stalls**

The snow disappeared rather quickly and some brought out their bikes again. There is still room in our bicycle sheds, the red storage units that stand a little here and there. Contact [cykel@fano.se](mailto:cykel@fano.se) to receive a key for a deposit of SEK 500, which you will get back when the key is returned.

### **Bookshelves in the laundry rooms**

In the foyer of both laundry rooms there are bookshelves. These are intended to be used as a local library. If you see a book that seems interesting, borrow it, read and put it back. If you have a book you think someone would be interested in, feel free to leave it on the shelf.
