

### **Cleaning day on Sunday**

On Sunday the 9th of May we have the spring cleaning day. Like the previous two occasions, there will be no coffee due to the current situation, we hope to be able to resume it in the autumn.

Containers for rubbish (not hazardous) will be in the middle of the association between 10:00 and 13:00.

Parts of the board will be available for questions.

Detailed information is posted in the stairwells.

### **New playground outside 107–111**

The playground outside Sorögatan 107–111 requires refurbishment. Soon, the work of demolishing the existing one will begin and then be followed by the installation of new play equipment. Meanwhile, it can be a bit messy on the spot.

### **Annual General Meeting**

The board still hopes to be able to hold the annual general meeting on Thursday 17 June. We follow the development closely to be able to carry out the general meeting safely and correctly. We have planned an extra board meeting to be able to postpone the meeting if necessary. If the general meeting is postponed, a new announcement will be sent out to you with a new date according to the by-laws.

### **Cleaning in bicycle sheds**

In connection with the cleaning day, we will carry out a cleaning among the bikes in the bike sheds. We have marked each bike with a note, **that note needs to be removed before the 9th of May** for the bike to remain in the shed.

### **Solo pass in the laundry room**

During the pandemic, we have identified a desire not to have to share a laundry room due to the risk of infection. We should have addressed this earlier, but now we have finally found a solution.

On weekdays, machines 4-5 will not be bookable for the first three wash sessions in the 57's laundry room. That goes for these sessions:

- 7: 00-09: 30
- 09: 30-12: 00
- 12: 00-14: 30

This applies from last week until July 2nd. If the infection situation does not improve, the measure can be extended.

The solution is a compromise between offering the opportunity to wash yourself and not removing too many wash sessions..
