

### **Annual General Meeting**

Thanks to all the members who came to the meeting and contributed to the fastest meeting in a long time. Thanks also to the members who for various reasons abstained to participate.

The meeting is the association's highest decision-making body and should normally be well attended. Next year, we hope that we can encourage everyone to attend the meeting.

All elections went according to the nomination committee's proposal, which means that the board for the coming years consists of

- Chairman Arne Brovig
- Vice-Chairman Binas Nisic
- Secretary Sara Norgren
- Bernt Wilander
- Kristian Rosenqvist
- Jens Backeman

We thank you for your trust and will do our best to manage our common association in a good way.

### **New playground outside 107–111**

The playground outside Sorögatan 107-111 has for some time been in need of refurbishment and will therefore be demolished and replaced with new, modern play equipment this summer. The work is expected to begin at the end of week 26 and will last for about two weeks. During this period, it can be a bit messy on the site.

### **Dogs**

We would like to remind you that dogs must be kept on a leash and that it is not allowed to rest them in our area.

### **Solo pass in the laundry room**

We are extending this until September 3<sup>rd</sup>.

During the pandemic, we have identified a desire not to have to share a laundry room due to the risk of infection. We should have addressed this earlier, but now we have finally found a solution.

On weekdays, machines 4-5 will not be bookable for the first three wash sessions in the 57's laundry room. That goes for these sessions:

- 7: 00-09: 30
- 09: 30-12: 00
- 12: 00-14: 30

The solution is a compromise between offering the opportunity to wash by yourself and not removing too many wash sessions.

### **Summer!**

The board has had its last regular meeting before the summer. Of course, some work is done anyway and the board email is checked, but understand that it can take a little longer than usual to get a response.

With that said, we ask everyone to show consideration for their neighbors with barbecues and late nights in the company of good friends and wish you a
