### **Extra general meeting 7 Oct**

On Thursday, October 7, the board has convened an extraordinary general meeting due to the project Joint electricity. The meeting starts at 19:00 in Kvarnbackaskolan's dining hall. For more information, see previous mailings.

We urge you who have an opinion on the matter to come to the meeting and vote. If you cannot participate yourself, a relative or neighbor can represent you by power of attorney. The form is available for download from our website.

### **Tire storage**

The opening hours for the tire storage this fall have been set

- Thursday 4/11, 18-20
- Sunday 7/11, 10-12
- Thursday 18/11, 18-20
- Sunday 21/11, 10-12

Access outside these times is booked through [dack@fano.se](mailto:dack@fano.se) and costs SEK 200 per occasion.

If you want to queue for a place in the storage room, send an email to the same address with your name, telephone, and your apartment number.

### **Clean in the stairwells**

It is not permitted to store items in the stairwells, partly due to the risk of fire. The board rounds regularly to follow up on how this is complied with.

Lately, it has been very clean and tidy in our stairwells and for that, we want to say a big **thank you** to all members!

### **Shed for electric waste disposal**

The stairwells look very good, unfortunately, it is worse with our electric shed. There is a lot that is left there that is not electronics.

Please make sure that rubbish ends up in the right place, for more info on what to do, see our website:

<http://en.fano.se/fano-a-to-z/> (Garbage)

### **Cleaning day 31/10**

On the last of October, we have the autumn cleaning day. In addition to the bulbs mentioned in the previous Fanö News, there will, as usual, be containers between 10-13 in the middle of the association. There, most things except environmentally hazardous material and electronics can be thrown away.

### **The Friday reception closed**

When the pandemic started, Nordstaden closed the reception that was on Friday mornings due to consideration for their staff. During these one and a half years, we on the board have not experienced any great demand for this service. Therefore we have made the decision not to reopen it.

Nordstaden's staff are usually still on site on Fridays and reports of errors are made as usual on 08-587 801 00.

### **Do not drive unnecessarily**

We have noticed an increase in traffic in our area. Please do not drive in unnecessarily. This increases the risk of accidents with, among other things, children running and playing. If you have to drive in, close the barrier behind you both on the way in and out.
