A janitor is available on Fridays at 7.00–8.00 am on Sorögatan 45, entrance from Ärvingegången  
Telephone 08-751 58 79

### **Fall cleaning**

Thank you all who joined us at the fall cleaning. Not the best weather but nice company and lot of work done!

### **Tire change**

Winter is coming and the time to change tires is getting closer. We will have the storage open as stated below. If you want access outside of these times book a time with [dack@fano.se](mailto:dack@fano.se), it will cost 200 SEK.

- Thursday 7/11, 18-20
- Sunday 10/11, 10-12
- Thursday 21/11, 18-20
- Sunday 24/11, 10-12

If you collect your tires and not inform us before the 24th of November that you want to keep your spot, it might go to another person.

If you want a spot for your tires, contact [dack@fano.se](mailto:dack@fano.se) and we will add you to the queue.

### **Garbage chute**

When you throw garbage in the garbage chute, please tie the trashbag. Open bags might leak and the trash can end up in the basement and then start to smell in the stairwell.

### **Tree care**

In our association we have a lot of trees of different sizes and unfortunately some of them have started to create problems for our buildings. Together with arborist we will look over our trees and probably take down a few of the large ones along Ärvingegången and Fyngatan.

### **Facebook**

We have a Facebook-page where we sometimes publish information. Go to the page and hit like so you get updates from that way as well.

<https://www.facebook.com/brffano/>

### **Hemsidan**

On our homepage ([en.fano.se](http://en.fano.se)) there is a lot of information. Contact info, what to do before a renovation, how to get a parking spot, if you want to put up a satellite dish and much more. Go online and browse around.

### **Report an error, to Nordstaden**

Problems and errors regarding our properties is reported to Nordstaden, either by phone or email.

Phone: 08-32 40 60

Email: [kundtjanst@nordstaden.se](mailto:kundtjanst@nordstaden.se)

### **Renovation**

All renovations that involve water, the draining system or the ventilation (kitchen fan) MUST be approved by the Board before you can start the renovation. This is to minimize the risk of any possible costs for you due to moisture damage. Please fill in the form, send it to the Board and await response before you start. The form is available on:

<https://en.fano.se/renovation/>

***The Fanö Board wishes you all a great fall!***
