Quiet after 22 o'clock

As residents of apartment buildings, we all need to show consideration for our neighbors. Therefore, loud noises are not allowed after 22:00. Keep in mind that noise travels through the building and what you think is a reasonable level of music can be perceived as disturbing inside the neighbors apartment.

Work in the apartment that produces noise, such as drilling, may only take place between 08–18 on weekdays and 10–18 on weekends.

Smoking

We are again required to remind you that smoking is prohibited at entrances and playgrounds, by law. We will put up new signs in affected areas. It's also sad that we have individuals that are throwing cigarette butt around our grounds. It's out from windows, at entrances and even in the sandboxes where children are playing. If you are done smoking, put it out properly and throw it in the garbage bin. If we regularly need to walk around our grounds and pick up the trash, it will create a cost that will affect all of our members in the end

Garage and parking space

The association has two garages, a larger and part of a smaller parking lot, as well as 19 guest parking spaces. The prices are as follows:

Garage: 500:-/month

Parking space: 200:-/month

Guest parking: SEK 10/h, SEK 60/day

HSB handles the queues and assignments for garage and parking spaces. You can reach them on 010-442 11 00.

Knitting & crochet café restarts

After a long break due to corona, we start up the Knitting & Crochet Café again! We meet to do a little crafting and socialize. The location is the association room (Sorögatan 45, entrance from Ärvingegången) and the door gets unlocked at 18:00. Everyone is welcome, young and old! If you feel sick, you stay at home.

The following dates apply:

- September 29th
- October 20th
- November 10th
- December 1st
- December 22nd

Work that create noise

Remember to inform your neighbors when you are going to do some work in your home that creates noise. A note in the stairwell or affected mailboxes with info about who does what and approximately how long it will last creates understanding.

Are you going to renovate? Read more and apply for a permit here:

Cleaning day 31/10

The last of October we have the autumn cleaning day. At the request of members, we will buy bulbs that can be planted at this time. If you are interested in helping with the planting, you are welcome to contact the board. It is also possible to just show up on the cleaning day and assist.
