

Nr. 2, February 2022 | Distributor: The Fanö board | en.fano.se | styrelsen@fano.se

Get involved in the association!

The Nomination Committee is constantly keeping an eye open for committed residents who are willing to add their skills and work for the benefit of the association. You can contact the nomination committee at valberedning@fano.se.

Tire storage

The opening hours for the tire storage this spring has been set

- Thursday, 25/3, 18-20
- Sunday 28/3, 10-12
- Thursday 8/4, 18-20
- Sunday 11/4, 10-12

Access outside these times is booked through dack@fano.se and costs SEK 200 per occasion.

If you want to queue for a place in the storage room, send an email to the same address with your name, telephone, and your apartment number.

Hatches to the garbage chutes

The automated vacuum collection is using suction to transport all garbage from the garbage chutes. This is done up to three times a day. If the door to the garbage chute is not closed when the suction starts, the hatchet can close with some real force. This can scare and harm, both person and property. Therefore, close the garbage chute when you throw away your proper knotted, intact plastic bag.

5G mast on the roof of SG29

The board has signed an agreement with a company that will install a mast for 5G on the roof of the 29th. It gives the association a financial boost and for some operators better 5G coverage in the area. The company complies with all requirements for such equipment.

The project Joint electricity

The installation is underway on and the shift will tentatively take place during the month of March. According to the contractor, we will receive about 1-2 weeks notice. During the shift, which takes about 4-5 hours, there will be no electricity in the whole house.

Annual General Meeting

This year's general meeting is scheduled for Wednesday, May 25th. This can be adjusted depending on the development of the pandemic. The last date for submitting motions to the board are 28 February. The motion must be submitted in writing, via email, or in our mailbox at Sorögatan 45, entrance from Ärvingegången.

Do not park on the playground!

Last year, the association invested in a new playground outside the 107. It has now unfortunately been discovered that some park cars on the rubber asphalt that is the surface of the playground. The material is not made to withstand that weight and if this continues, there is a risk that we will have to redo the work, which means more costs.

So please, do not park on the red rubber asphalt!
