Welcome to Wednesday fika!

Wednesday coffee continues! Come to meet and get to know your neighbors, talk, play games, solve crosswords or the like. One meeting remains before Christmas, namely Wednesday 14 December.

The door opens at 18 and we offer coffee, tea and juice. We close at 20.

"Glögg mingle"

The board follows the leisure committee and also offers "glögg" (mulled wine) at the Wednesday fika. Parts of the board will be attending to answer questions.

Live candles

Now that darkness is creeping in earlier in the evenings and Christmas is approaching, many candles are lit to raise the mood. Remember to extinguish them before leaving the room so we avoid fire accidents.

Fire alarm

During the fall, it's time to change the battery in your smoke alarm. A smoke alarm can save both life and property, so make sure it works by testing it once a quarter!

Fireworks

Keep in mind that the rules for fireworks have been tightened. Show consideration or your neighbors and animals by not using pyrotechnics in our area.

"Christmas rubbish"

After Christmas, there is often a lot of paper waste and a withered spruce over. Please add Christmas paper in ordinary bags for household garbage and tie together before throwing in the vacuum cleaner. It is completely unnecessary with stops in the garbage system due to paper. Each stop costs money to fix. After the weekends, your Christmas tree must not be thrown out of the balcony or left on the yards. You are responsible for ensuring that it ends up in a recycling center.

Fault reporting

If you discover anything wrong with the association, such as broken lights, a stairwell door that cannot be closed, or perhaps a loose fence, then you should report it to Nordstaden!

You can do this by phone or on their website:
