Get involved in the association

The nominating committee is constantly watching open for committed residents who are willing to contribute their skills and work for the good of the association. You can contact the nominating committee at valberedning@fano.se.

Annual General Meeting

This year's general meeting is planned for Thursday, June 1. The last date for submitting motions to the board is February 28. A motion must be submitted in writing, via e-mail or in our mailbox at Sorögatan 45, entrance from Ärvingegången.

The electricity price

The board continuously monitors the development of the electricity price and, as the forecast currently looks, we see no need to adjust our price of SEK 2.5 per kWh including VAT.

Renovation

Laws relating to the renovation of apartments have been tightened at the turn of the year. HSB and others are investigating what this means and more information will follow.

If you want to carry out a renovation, read what currently applies on our website and submit an application before you start:

Wednesday coffee starts again!

The leisure committee would like to thank everyone who came to visit before Christmas! It was nice socializing, coffee and board games!

Now it's time to start again. On Wednesday January 25, we open the door to the board room at Sorögatan 45 (entrance from Ärvingegången) at 18:00 and continue with Wednesdays in even weeks after that. Come to meet your neighbors, socialize and have a good time. See you!

Comfort rules

In order to promote a good well-being environment in our area, the board has drawn up a set of comfort rules. Actually, there are no oddities, but a lot is common sense, but for the sake of clarity, they have been written down.

They will be published on our website shortly.

Fault reporting

If you discover anything wrong with the association, such as broken lights, a stairwell door that cannot be closed, or perhaps a loose fence, then you should report it to Nordstaden!

You can do this by phone or on their website:
