Vermin, report immediately

On a couple of occasions, apartments in the association have been affected by vermin. It is of the utmost importance that if you discover vermin or pests in your home, report it to Nordstaden as soon as possible. If it is discovered in time, measures can be put in place before it has time to spread to the neighbors. As a rule, such costs are taken from the association's insurance.

App to check your power usage

When we launched IMD (common electricity), an app was offered where you can follow your consumption. Initially, it didn't work for townhouses but now that problem has been solved and everyone should have access to this. It is the person who is written on the address who can log in and see the consumption. The identification is made with a Mobile BankID.

The app is available for Android and iPhone. QR codes for the apps are available on our website:

Fault reporting

If you discover anything wrong with the association, such as broken lights, a stairwell door that cannot be closed, or perhaps a loose fence, then you should report it to Nordstaden!

You can do this by phone or on their website:

Get involved in the association

The nominating committee is constantly watching open for committed residents willing to contribute their skills and work for the association's good. You can contact the nominating committee at valberedning@fano.se.

Tire storage

In the association, there is a storage room for storing car tires. It costs nothing to have your tires there, but there is only room in the racks for about 50 sets. If you want a place for your tires, send your apartment number, phone number, and name to dack@fano.se and you will be placed in the queue.

The storage is open on four occasions per season where you can come and pick up or drop off tires. If you want access to the storage outside these times, you book it via dack@fano.se and then have to pay SEK 200 per occasion.

Renovation

Laws relating to the renovation of apartments have been tightened at the turn of the year. HSB and others are investigating what this means and more information will follow.

If you want to carry out a renovation, read what currently applies on our website and apply before you start:
