Agreement change garage & parking spaces

In the near future, those who have a garage or parking space will receive a registered letter from HSB. It contains a new agreement that you need to sign and send back. If you do not do this, you will lose your place.

In connection with this, the board has also decided to raise the fees for garages and parking spaces as they have not been adjusted for a long time.

The new fees are

Parking space outside	SEK 300/month
Garage	SEK 600/month
Garage with charging box	SEK 850/month
Motorcycle parking	SEK 250/month

This change will also allow us to digitize the queue for parking spaces, which among other things increases the opportunity to change places.

Thank you for the confidence!

A couple of weeks ago, the association's annual meeting was held in Kvarnbackaskolan's canteen. Just under 40 voters attended where the financial report was reviewed and a number of elections were held. The board continues to consist of the same members as before, Arne, Binas, Jens, Kristian, and Lars, and the HSB representative Stefan.

Ventilation filter

Above several windows in your home, there are vents where the air enters. In front of these there is usually a small holder with lots of holes in it, which contains a white fuzzy filter. This can be washed if it is dirty.

Wednesday Coffee

Coffee on Wednesdays has its last opportunity in week 24, June 12. Then there will be a break until the second half of August. The leisure committee thanks everyone who participated during the year and is looking forward to new meetings this autumn.

Show consideration

Now that the weather is getting better, many people are using their patios and balconies. Remember to show consideration later in the evening, even if you are having a good time, you can lower your voice a little.

Summer holidays

During the summer, the board takes care of the everyday tasks, but you can expect that the response times might be a little longer sometimes as we leave for the vacation.

With this, we from the board wish all members a wonderful summer.
